

## WVMC ADOPTION APPLICATION

Adopting any animal will have a major impact on you, your lifestyle and on the life of the animal. Please made this decision with care, much thought and deliberation.

Although WVMC eagerly seeks the prompt adoption of its animal residents, experience has shown that some situations are not consistent with the welfare of the animal. An unsatisfactory adoption can result in an unpleasant experience for the adoptive family, and many times it can traumatize the pet. WVMC reserves the right to refuse any adoption we consider unsatisfactory. There will also be a 3-day waiting period to verify adoptee information. Also, some of these animals have come into our care because they were either injured or sick, and may have lifelong medical problems for which WVMC cannot be held liable.
